# Message to Parents

Is your child looking for a great camp experience that is different? I would encourage you to check out this year's Gasconade Valley Baptist Children's Camp. This year's theme is the Incredible Adventure. The Bible is chocked full of some amazing adventures and so will this year's camp.

Children's Camp is a time for boys and girls who have finished 3rd through 6th grade to have a great week and learn about Christ. The camp is full of fun and recreation (such as sports, games, swimming, etc.) as well as plenty of opportunities for crafts and learning about Christ. Your child will also have opportunities to meet other children that live in Mid-Missouri. The most important element is that your child will have both group and individual times to learn about Christ and how He can influence his/her life.

## Registration Information

The camp fee pays for everything needed during the week including meals, snacks, craft materials, recreation, and a tee-shirt.

Medications must be in original containers and turned over to camp director/leader at time of registration.
